

## **WICOR PRIMARY SCHOOL'S VISION**

### **What is our vision?**

Our vision is for us all to be effective lifelong learners in an inspirational learning community.

### **Why this vision?**

We believe that this will give the children the best possible start to their lives in a fast changing and challenging world.

### **To achieve our vision we will;**

1. Support each child to learn new skills and develop positive attitudes which are needed to become an effective lifelong learner.
2. Pursue the highest possible standards and progress for all.
3. Challenge each child to achieve success in all aspects of the curriculum.
4. Provide a rich and stimulating set of learning experiences that motivate and challenge each child.
5. Help each child to understand the importance and value of responsible citizenship.
6. Help each child to be an effective and confident communicator.
